Survey on English Speaking minority's advocacy groups:

I would like to invite you to participate to a research project on official language minorities in Québec and Ontario.

I am a Ph.D candidate at the Department of Political Science, University of Toronto. This study seeks to analyze and compare the perspectives of the English-speaking minority's advocacy groups in Québec with the French-speaking minority's advocacy groups in Ontario. My objective is to improve understanding of the official language minorities' perceptions regarding their own relation with other linguistic groups, language policies, language itself, and various governments.

Your participation in an online survey would last approximately from 10 to 15 minutes. It is entirely voluntary and anonymous. By completing this survey, you will run the chance to be randomly selected to win a prize of 100\$.

Interested in participating? Please use the following link to complete the online survey questionnaire: <http://bit.ly/mwcn2017> and enter the following password: [engqc2017](http://bit.ly/mwcn2017)

To learn more about the research project and the implications of your consent as a participant, please consult the following document: <http://bit.ly/engqcconsent>
